

GENERAL PACKAGING CONDITIONS
Valid from 01/12/2014

A. Deposit and cleaning costs

Packaging	Deposit (€)	Cleaning costs (€)	Rent/day (€)
Cans 10 lt	Included		
Cans 20-25 lt	8,70	0,94	
Drums 60 lt	11,20	1,92	
Drums 200 lt	29,75	5,20	
IBC's	173,55		1,40
Anisa's	1.066,00		1,40
Pallets	14,90		
PE pallets	99,15		

The deposit and the cleaning costs will be invoiced together with the delivered goods. The deposit on packaging is not subject to VAT, but the cleaning costs are subject to the applicable VAT rate.

B. Temporarily blocked packaging at customers

Deposit packaging remains property of Roam Chemie. It should be returned within 6 months after delivery in clean and good condition. The packaging should be closed, entirely empty and may not contain remains or other products.

Roam Chemie is entitled to refuse the return and not credit the deposit if the packaging is not returned within a reasonable period or does not meet the above mentioned conditions.

C. Return of deposit packaging

The return of packaging is free of charge, if it is returned on delivery of a new equivalent order. The empty packaging should be grouped on the loading location and loaded with help of the customer. In all other cases, the costs are at the expense of the customer.

D. Maintenance costs of returned packaging

1. Dirty, damaged cans are refused and are not credited.
Cans with any product residue or other products are not taken back and are not credited.
Per missing cap: 1,29 €
2. Dirty, rusted, damaged drums are disapproved and are not credited.
Drums with any product residue or other products are not taken back and are not credited.
Per missing cap: 1,29 €
3. IBC 1000 lt , Anisa 800 – 1000 lt:
In case of damages of taps, gaskets, lids, metal frames, polyethylene holders, etc... are all breakdown services at the expense of the customer.
4. Sealed containers:
If the sealed lid is broken a cleaning cost of 63.24 € will be applied.

E. Rent
